

END THE CONFEDERATE STRANGLEHOLD

OPPOSE THE UNITED DAUGHTERS OF THE CONFEDERACY IN ATLANTA

WHO?

The UDC is a racist group which erects Confederate monuments, sanitizes slavery, and has openly celebrated white supremacy. In its early years, the UDC promoted and worked alongside the Ku Klux Klan. Today, the UDC fights local communities trying to remove their Confederate symbols.

WHERE?

Gather at Clairemont Way & Somervale Ct. Protest will head to Marriott Century Center

WHEN?

UDC National Convention
November 7-11th, 2019

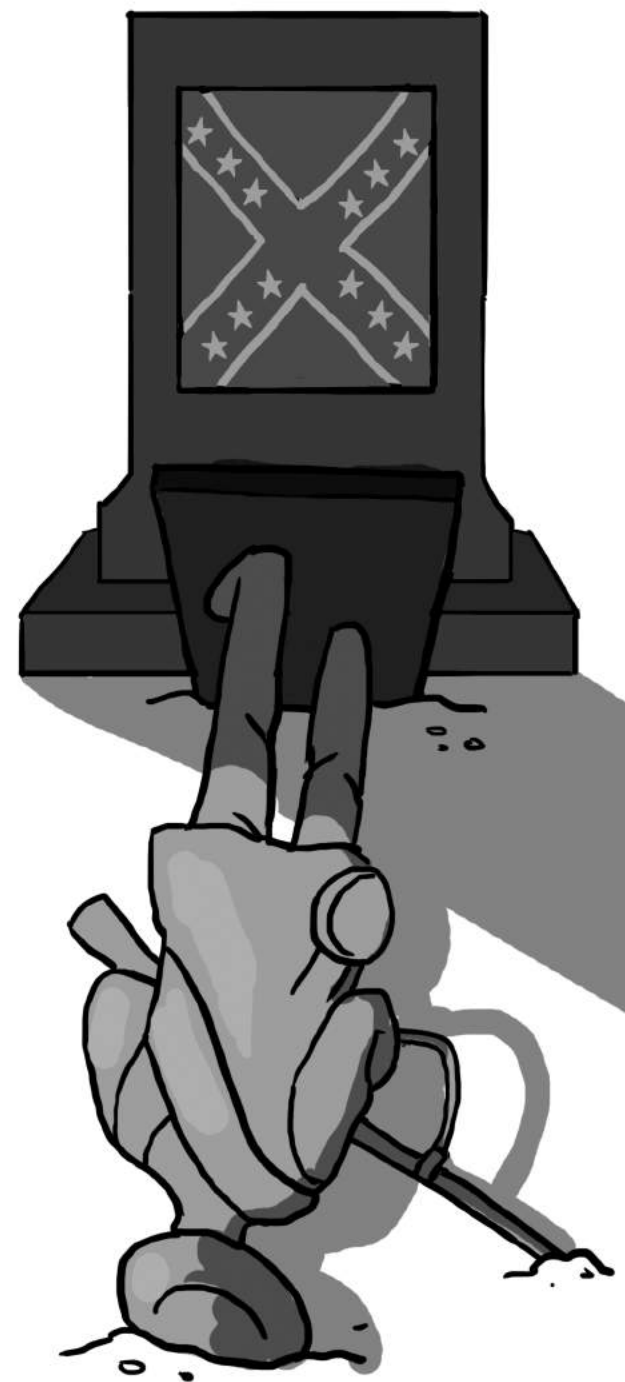

Anti-racist protest: Nov 9, 1 PM

WHY?

The UDC's convention is being held near a heavily Jewish and immigrant neighborhood of Atlanta. They're not wanted.

Since Marriott insists on hosting the racist gathering, we're organizing the largest, loudest, most energetic protest in the history of the UDC convention.

Join a coalition of community and activist groups on November 7th to oppose the UDC convention.
